Milestones in the History of U.S. Foreign Relations

May 09, 2017—"Milestones in the History of U.S. Foreign Relations" provides a general overview of the history of the United States of America through the centuries.

Margaret Foy

The history of the United States is filled with important dates and events that have shaped the nation. Here are some significant milestones:

1775: The outbreak of the American Revolutionary War
1861: The start of the Civil War
1917: The United States enters World War I
1945: The end of World War II
1953: The Korean War begins
1991: The end of the Cold War
2001: The terrorist attacks on September 11
2020: The beginning of the COVID-19 pandemic

These events have had a profound impact on the history of the United States and its role in the world.

A Diplomatic History of the Philippine Republic

The history of the Philippine Republic is one of the most fascinating and complex in the history of the Philippines. From the first contact with the Spanish in the 16th century to the establishment of the commonwealth in 1935, the Philippines has been shaped by a variety of forces.

This book provides a comprehensive and detailed account of the political, social, and economic developments that have characterized the Philippines since the time of the Spaniards. It explores the challenges faced by the Filipinos as they struggled to gain independence from Spanish rule and the impact of the United States on the country.

The book also examines the role of the Philippines in world affairs, from its participation in World War II to its current status as a member of the United Nations.

This is a must-read for anyone interested in the history of the Philippines and its place in the world.
There was political turmoil over quotidian tasks system devised in France during the 1790s. Throughout much of history, measurement units were based on the human body or everyday objects.

When he was elected governor of Kogi State, Alhaji Yahaya Adoza Bello made history as the youngest elected state chief executive in the political dispensation. With zest and energy, he had hit the
